OUTCOME-BASED SCHOOL PROGRAMS

A Day at the Beach, or
A Night at the Museum !

Join us in Parrsboro for an opportunity to learn about rocks, minerals, fossils and the Bay of Fundy! Explore the shore with a guide who will identify your treasures. The tide will be out, this is your turn to walk on the bottom of the sea. Learn the names and uses of local rocks and minerals. See Canada's oldest dinosaur bones. Discover our geology museum. Spend a night with the dinosaurs! Set up your bedrolls in the museum gallery. Take part in a workshop.

We are only 100 kms from Truro or 60 kms from Amherst. Add on to your trip with a visit to the Springhill coal mine museum, the Ottawa House Museum or the new Joggins Fossil Center.

Take advantage of our 3-5 hour day program including a museum tour, a workshop, and a field trip. Customized trips can be arranged.

Our 20 hour (7:00 pm - 3:00 pm) program includes meals, a museum tour, a field trip to a mineral or fossil beach and two workshops.

Our 24 hour (1:00 pm - 1:00 pm) overnight program includes meals, a museum tour, two field trips and three workshops.

We welcome your calls and are happy to individualize your program. Book now! We look forward to seeing you at the Fundy Geological Museum in Parrsboro, N.S.
