Kangra lodge has been an amazing trip, as always. We managed to catch fish and bring back silver bream for snacks. The Amarula truffles were the best. Thanks to the staff and Major for everything. 😊

G&Ts when watching hippos together with Kaley was super. We really enjoyed staying here because of the nature, peace and friendly staff. We like your environmental and social responsibility profile. It is not just talk - here it is also "action". Thank you for three nice days and good luck.

Dit is onze eerste kennismaking met Jantia en  
we zijn heel blij te zijn aangekomen verast!  
Wat een prachtige natuur, wat een  
uitlek locaties voor camping!

Deze lodge is idyllisch en het personeel  
zeer behaagzaam en vriendelijk. De gids is  
uitstekend en de boot-trip was

heel erg mooi, mogelijk is dit de  
beste plek die we ooit bezocht!

We zijn een groep Belgen, veldwerkers en  
we hebben heel onwaarschijnlijk mooie  
foto's genomen onder van zeldzame vogels!!

We zijn bijzonder te vinden deze plaats  
ontdekt te hebben en zullen je sterk  
aanbevelen in België! Proficiet!!!

Unser Gepäck steht bereit zur  
Abreise und wir sind nicht zu  
töten! Gerne wären wir an diesem  
zauberhaften Ort länger geblieben.  
Vielen herzlichen Dank für die  
allerliebste Gastfreundschaft, die  
empfindsamer und spannender  
Gastung unserer Tage hier. Es war  
für mich eine Zeit der Entkehr mit  
Herzlichkeit!

*Dear Rick, Lynda, Gil and Julia,*

*Of the over 300 photos I took on my recent Zambian safari with Clive and John, this was my favourite! Kaley took it on The Rock at sundowners. I did the sepia tone look to make it look a bit vintage, and have it framed on my mantelpiece (something I rarely do with travel photos).*

*Hugs all around from Panama,  
Louise*

To all the team  
at Korgu  
Thank you so much  
for a wonderful,  
interesting and a  
relaxing stay!  
Best wishes

este sitio magico ... a comida,  
as peneas e o vinho são fantasticas.

vida ❤️. Voltarei certamente  
Um beijo a todos

This has been one of the finest safari camps and  
experiences I have ever enjoyed. The warm  
welcome, the fine food, the cold mosi, the skillfulness  
of our guide Isaac and the beauty of the site  
itself will long remain.

Thank you for such a remarkable four days;  
I hope to return.

So pleased we returned to Kavirua. The same wonderful  
location, great hospitality, a wide range of activities and also  
the ability to relax whilst enjoying all that Kavirua offers.  
The opening of the special road since our first visit has  
added a new dimension. Thanks to Rick, Lynda, Gil + Julia,  
Isaac, Kalay and all of your wonderful staff.

Thank you ALL so much for making our honeymoon stay at Kaingu so 'special' -!

This was the most perfect place. Lots of love. ~~Ed~~

From the moment we arrived, we have felt so warmly welcomed, so well looked after and so relaxed! The whole team are so friendly and the place runs like a dream. The food, surroundings, sands, sights, people, accommodation and overall ethos combine to make this a true taste of paradise! Bwino, Bwino, bwino

A special mention to Issac - a super guide, the best we've ever met anywhere in the world. He's got not only an amazing knowledge, but also the care and passion for all the animals he comes across. And to Kaley for super driving of The Gods must be Crazy car!

Thank you all. We are so very sad to leave but will never forget you!

Lots of love, Aura & Ed, (Xffou, UK)

This is what service should look like.

What an example for the Kafue lodges.

A recommendation that stretches further

than just neighbours, something that should

be told to a much wider audience - good

on you guys and thanks for setting the  
benchmark.

place where we ever have been.

Merci de nous avoir accueillies si chaleureusement. Ce camping c'est vraiment le paradis! Notre seul regret est de devoir partir si vite. Nous n'oublierons pas la douche sous les étoiles et la voie lactée!
